Seminar for Men and Teen Boys

Led by PCA Men's Ministry Coach, Dr. Gary Yagel

Recovering the Call to Biblical Manhood

"Be strong, show yourself a man, and observe what the LORD your God requires."

I Kings 2:2-3

Get your guys discussing how we should respond to our culture, which is deconstructing God's design of male and female.

Take a fresh look at the glory of God's male/female design. Be challenged to put a biblical lens over your own stereotypes. Be inspired by a fresh look at Jesus, God's portrait of true manhood. Leave with a renewed passion to show our broken world the glory of grace-centered, Christ-empowered, redeemed manhood. This seminar is intended to mix generations—to include all the men of your church from pre-teens through seniors.

Topics Covered

- *"What godly manhood looks like and how the fall has marred that design"*
- *"What a Son Needs from His Dad to Grow into Godly Manhood"*
- *"How godly manhood impacts our relationships at home"*
- *"A Fresh Look at Jesus: God's Portrait of True Manhood"*

Create Momentum In Your Men's Ministry

This seminar will draw many of your men, the discussion groups will help them build closer relationships, and most importantly, it will equip the rising generation to be confident of their own masculinity and know how to respond to others with grace and truth in their gender-confused world.

Life-Changing Impact

"The evaluations we got back after having about 85 guys attend the seminar averaged nearly 9 out of 10, which is a fantastic response. We highly recommend this seminar."

"This material is relevant, compelling, and provides excellent biblical perspective on living in today's culture."
