

Men's Seminar by PCA Men's Coach

Leading Our Covenant Families Well In a Gender-Confused Culture

“Male and female he created them.” Gen:127

The confusing messages of today's world can make our children doubt their own gender identity and God-designed role. They need dads who, from an early age, affirm their created gender, who help them see the goodness of God's design of male and female, and who are prepared to help them navigate through their turbulent teen years in an LGBTQ-shaped culture.

Each Man Receives FREE Follow-Up Study

Follow-Up Booklet Impact: *My guys are really responding to the material. It is challenging, it hits us right where we live, but I'm seeing my guys excited about what they are learning and wanting to put it into practice. **Better than that, I'm hearing positive feedback from the wives of those men and that is really encouraging.** This material is biblical, it is gospel-centered, and it is easy to use. I recommend it highly.* John Armstrong, PCA Pastor, MDiv, MAMFT (Masters in Family Therapy).
